Being a parent I am abided To follow the rules, regulations and instruction of the school given in the calendar, I have not hidden any information of medical and charactor about my child. I know that every year 10% fees is increased and I have no objection with it, I have received information about fees, and schedule of payment. Once I pay fees, I am aware that it is not refunded back in any circumstances, I will Co-operate to the activities given to my ward. If fail, I shall have no objection for the cancellation of admission of my ward. I know that school does not have a playground and seperate parking facility. We hereby under take that we have no objection, hesitated. if any messages related to my ward is transmit on my mobile from DPS school campus (Admission is conformed only after your fees is accepted) I have read instructions carefully
